

# Grounded in Scientific Excellence

## What We Offer

At PuraCap® Pharmaceutical we manufacture our own soft gels and deliver directly to our private label customers. We control all aspects of the manufacturing supply chain assuring you better quality control, timely deliveries and cost effectiveness.

### Prescription Generics: High Quality- Competitive-Reliable

PuraCap® Pharmaceutical and our generic pharmaceutical (Rx) division, PuraCap® Laboratories, offers a number of high quality cost efficient products available for commercial distribution.

### Exceeding Global Expectations

While OTC regulations call for GMP manufacturing, PuraCap® Pharmaceutical aims higher by offering cGMP manufacturing that ensures world-class standards, superior quality and service.

### The Best in Turnkey Prime Manufacturing

Whether it's soft gel, tablet, or two-piece capsule development and manufacturing, PuraCap® Pharmaceutical offers the finest in end-to-end turnkey results. We are here to develop and manufacture your product with experience and expertise.

# On the PuraCap® Horizon...

Always looking towards the future, PuraCap® Pharmaceutical moves forward with innovation, fulfilling the needs of an ever expanding global marketplace.
